ABOUT ME

Self-taught and passionate web developer transitioning from a background in heavy-equipment operations to technology. Motivated by curiosity and creativity, I'm focused on learning modern web technologies, building practical projects, and growing into a full-stack developer. Seeking an opportunity such as the OnePipe Emerging Talent Accelerator to learn from professionals, collaborate on real projects, and contribute to innovative fintech solutions.

EXPERIENCE

Personal & Practical Web Development

Self-Paced Developer | Remote | September 2025- Present

- Built and maintained multiple front-end projects using HTML, CSS, and JavaScript, including a personal portfolio website and an interactive Full-Stack Developer Roadmap with localStorage tracking and dark mode.
- Applied responsive design principles to ensure cross-device compatibility and user-friendly layouts.
- Implemented version control using Git and GitHub to manage codebases and collaborate on open-source projects.
- Practiced problem-solving by debugging, optimizing, and documenting code effectively.

PROFESSIONAL EXPERIENCE

Heavy Equipment Operator

Craneburg Construction Company, Ikoyi, Lagos

2020 – 2023

- Operated excavators for major infrastructure projects (e.g., Eti-Osa/Lekki/Epe Expressway Phase IIB).
- Conducted pre-operation safety checks and ensured smooth workflow on-site.

Excavator Operator (Contract)

Goldvein Mine Limited, Ile-Ife, Osun State

May 2025 – June 2025

- Operated and maintained heavy equipment for excavation and loading tasks.
- Ensured equipment reliability through daily maintenance routines.
